REPAIRAGE™

NIGHT CREAM GEL

FREQUENTLY ASKED QUESTIONS

What is RepairAge?

RepairAge is a revolutionary moisturizing cream gel with a unique blend of herbal extracts that will give your skin a rejuvenated, more youthful appearance.

What are the benefits of regular use?

You'll see noticeable results! Your complexion will look smoother and softer. The appearance of fine lines and other skin irregularities will diminish. Your skin will feel more toned and firm. With consistent use, the ingredients in RepairAge can help boost your skin's natural glow, tone, and texture.

How should I use RepairAge?

For a complete skin-rejuvenating regimen, apply RepairAge as your night moisturizer after washing your face with Cleanser and misting with Toner. In the mornings, apply PreventAge™ as your day moisturizer after cleansing and toning your face.

What type of skin is RepairAge formulated for?

RepairAge is good for all skin types, dry or oily, and for both men and women.
